

STUDENT CODE OF CONDUCT

This Code of Conduct is applicable to all students on Vogue College of Fashion – London

1. Introduction

- 1.1 Vogue College of Fashion - London (“the College”) is committed to providing a positive experience for all students, where individuals are treated with courtesy and consideration and where difference is valued and diversity respected. All students and staff have the right to live, study, work and relax in an environment where they feel safe.
- 1.2 As members of the College community, we expect the highest standards of behaviour from our students, whether on College premises, its online platforms or elsewhere. All members of the College should be aware of their own behaviour and how it impacts others. This Code sets out the standards of behaviour expected from students and also guidance on what is and what is not acceptable and how unacceptable behaviour will be dealt with.
- 1.3 Where students fail to abide by the required standards of behaviour, action may be taken under the Non-Academic Misconduct Policy.
- 1.4 Any complaints of unacceptable behaviour made by students will be taken seriously and, if substantiated, may provide grounds for action under the Harassment, Bullying and Sexual Misconduct Policy and Procedure as appropriate. Equally, the College will take appropriate action for any vexatious or malicious allegations. Students should refer to the policy for guidance, which is available [here](#), if they wish to make a complaint about the behaviour of others.

2. Policy statement on violence, abuse and harassment

- 2.1 All students and staff have the right to live, study, work and relax in an environment where they are free from any form of violence, abuse or harassment and where their body, gender identity, ethnicity, religion, sexuality and personal boundaries are respected.
- 2.2 No student or staff member should be forced to just ‘put up’ with violent or abusive behaviour from others, threats of such behaviour or any forms of abuse or harassment. This includes sexual violence, abuse and harassment, and any violence, abuse or harassment as a result of racial or religious hatred, or prejudice relating to sexuality or gender or gender identity. Action must be taken where necessary to ensure all students and staff are able to enjoy College life without experiencing these.
- 2.3 Any harassment will not be tolerated by the College, and those who commit or threaten acts of harassment should be stopped (i.e. their behaviour challenged) and disciplined as appropriate for their actions.
- 2.4 Students who have been the victims of any form of violence, abuse or harassment, including sexual violence, sexual assault, threats of violence or harassment based on race, religion or other protected characteristics such as gender identity or sexuality, can seek the help of Student Support. Student support will offer appropriate support and also help report any issues as appropriate. Students should also make a complaint if

appropriate and information on how to deal with these issues is set out in the Harassment, Bullying and Sexual Misconduct Policy and Procedure.

- 2.5 The College is aware that sexual violence and sexual harassment are predominantly aimed at women. However, the College recognises that all students may be the target of such behaviour, and the College will aim to support all students regardless of gender, gender identity or sexuality. All students who are the target of racial abuse and harassment will also be supported equally.
- 2.6 Students who wish to make a complaint about the behaviour of staff or students of the College should follow the Harassment, Bullying and Sexual Misconduct Policy and Procedure, which is available [here](#).

Where a student has been convicted of a criminal offence during their studies at the College, consideration will be given as to whether this affects their status as a student at the College. In coming to this decision, the College will consider particularly the nature of the offence and whether other students or staff are at risk. It will also consider whether the actions of the student have brought the College into disrepute. This will apply to convictions for offences on campus but also those committed off campus or online.
